

IPSC - NL Year End Newsletter - 2010

Another year has come and gone. Hope everyone had a happy and safe holiday

- **2011 AGM:** Here is your chance to have you say about the organization and how it is run. See the attached sheet for details. Conference call numbers are also available so no one has an excuse.
- **St. John's:** A pretty steady match schedule last year with generally a good turnout. Thanks to Tony for keeping the regular matches going. The weekly evening steel shoots proved to be a big hit with a lot of rounds going down range. Great idea Scott. Sure bet we'll be doing it again this year. Be sure to pack lots of ammo though! Scott is shopping for more steel!

Good turnout at the provincials in September. Good time was had by all even if the weather didn't quite cooperate. Special thanks to Scotty for bringing it together this year.

Lots of hardware up for grabs this year

Pretty sketchy crew!

A special note of thanks to Dugal who is leaving us this year for greener pastures on the mainland. Thanks for all your help over the last few years and best of luck! Keep in touch.

Spring clean up and social (St. John's): As in past years, let's get some folks together during the St. John's BB course to help sort out the shed. Gonna need some maintenance this year to keep it from falling apart!

🔫 **Lab City:** No sanctioned matches yet but we have an active group there. If your travels take you to this part of the province get in touch with Max (boomer@nf.sympatico.ca) and drop by for a visit. The range website is: www.labwestgunclub.com
Overdue for another Black Badge and an RO course, never got anything sorted out for 2010 but we'll see what 2011 brings.

🔫 **Gander:** Some interest here. Dylan held an informal information session during the year and got a good turn-out Let's try and get them in the fold this year.

🔫 **2011 match schedule:** We'll finalize during the AGM. If you have ideas for a match, fun shoot or any other event bring it forward and we'll put it on

🔫 **2011 Memberships:** 2011 memberships are due again. Please use the enclosed membership application and fill in your current information. If you took the Black Badge course in 2010, you're good for 2011. Make a note on the form for Hugh if you need a new card or not.

Note: only paid members will be officially scored and will be eligible to shoot in the provincials or any other sanctioned match worldwide. Non-members who show up as "drop ins" can shoot club matches (with a valid BB) but won't be scored and get hit for a higher match fee.

🔫 **Black Badge Courses:** I'd like to do one in both Gander and St. John's this year. We are starting to get quite a waiting list building up. Lab city might be a stretch for 2011 but let's get the names down and see what we can do.

🔫 **Range Officer Course:** Pete is settled in the province now (- well sort of.) So hopefully we can get a few more folks trained up. I'd like to hold them the same day as the BB course. Sort of a combined training day. We'll sort it out at the AGM. Any paid member is eligible to attend. It's a great way to get involved and learn more about the sport. Along with range safety, course design and match organization is a big part of the course.

🔫 **National / International News:**

**2011 IPSC
Canadian Nationals
hosted by: IPSC Ontario**
Date: Wednesday July 27, 2011 to Sunday July 31, 2011
Location: Frontenac Rifle and Pistol Club, Kingston, Ontario

Let's get a few folks and make a showing this year.

There is a new electronic newsletter being published. Here is the cover page and the link for the first issue: <http://flipflashpages.uniflip.com/2/45583/81145/pub/>

Subscribe here: <http://www.ipsc.org/myipscworld/index.php>

See you at the range!
